3&4	Cross L behind R, step R to right side, cross L over R
5&6	Turn 1/4 left shuffle back R L R 3:00
7&8	Step L back, step R beside L, step L fwd

Note: This dance was actually written for my newest dance "Have you ever seen the Rain".

However it also went to this music with minor changes.

Since I like both pieces of music, I decided to make it available to either piece of music....take your pick! (This version does not have all the restarts or special section, so it is a little easier)
