

# Ruckus

**COPPER** KNOB  
STEPPERS

**Count:** 32

**Wall:** 4

**Level:** Easy Intermediate

**Choreographer:** Karla Carter-Smith (CAN) - September 2024

**Music:** Back Then Right Now - Tyler Hubbard

or: Worth a Shot - Aaron Pritchett

or: Jumpin' the Gun - Ronnie Barnes

or: Tonight Is a Wonderful Time to Fall In Love - April Wine

or: I'm Good (Blue) - David Guetta & Bebe Rexha

**Note:** This dance was not choreographed to any particular song, it is meant to go to many different songs so that people have an opportunity to dance more, great for floor splits. Note in the music suggestion a couple of songs could have restarts but I found if you take out the restarts they still work great with the songs for those that are struggling with restarts but still want to dance, also noted are a couple that will end facing the front wall with out changing the steps at all...Bonus, yay!

**Music suggestions:** Back then Right now by Tyler Hubbard (take out any potential restarts, ends facing front)

Worth a Shot by Aaron Pritchett (take out potential restarts, endings facing front)

Jumpin the Gun by Ronnie Barnes (no potential restarts, ends facing front)

Tonight is a Wonderful Time to Fall in Love by April Wine (no potential restarts, ends facing front)

I'm Good (Blue) by David Guetta & Bebe Rexha (no potential restarts)
