Tag: Exactly the same, except instead of doing a coaster step on count 7&8, you unwind to find yourself at wall 06:00 to do it again. You do it a second time doing the 1st stomp with LF, finish at 12:00 and continue with Part B

Part B': Repeat the last 16 counts and be free to add your own style to finish the dance. Suggested Final : On count 8 of the last section, replace the last step by a LF heel diagonally with a nod of the head and your L hand on your hat.

Have fun and smile :)
