STEPSHEETS

Count: 52

Wall: 1

Level: Improver

Choreographer: Carol Brantley (USA) - April 2025

Music: Baby If You Only Knew (What I Could Do) (feat. Jeffrey Osborne) - Euge Groove  
featuring Jeffrey Osborne

I believe soul line dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, making strong musical muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.
