(Styling Option: Bump hips forward-back-forward toward diagonal on Counts 5&6, 7&8, especially on the chorus when the lyric is "Bread & Butter")

(Note: Counts 5-8 should complete a 1-1/4 paddle turn over 4 movements. It's not especially important how much ground you cover with each paddle, but the 4th paddle should end facing the 3 o'clock wall and flow directly into the pony steps that begin the dance. Pro tip: when you're doing your rock-recover, hip bumps, etc., take note of what wall is to your immediate right. That is where your paddles should end up.)

\*ON WALL 4 AFTER 16 COUNTS (APPLEJACKS), TAKE WEIGHT ON L AND RESTART.
