5-8 Step R over L, Step back on L turning ¼ R, Step on R, Step on L

I hope you can make this out. The ½ Pivot and Jazz Box is in a lot of routines and this way they can learn it easy.

It's easier for new beginners to learn a 16-count routine first. Then they can remember it better.

If you have any problems with this, please contact me and I will help you if I can. And, please let me know if your class likes it!

Have fun and Happy Dancing!
