

Manchild

Count: 32

Wall: 4

Level: Beginner

Choreographer: Katie Robinson (USA) - June 2025

Music: Manchild - Sabrina Carpenter

Note: I am not the choreographer for the original 24 counts of the line dance that was included in Sabrina's "Manchild" music video. I added an extra 8 counts to that choreo and formatted it into this stepsheet so that the line dance can be done for the whole song! But I will update this stepsheet if I'm given the name of that person so that they get proper credit for it.
