Tags: End of walls 2, 4, 6 & 11

Tags will happen at 6 o'clock, 12 o'clock, 6 o'clock & 9 o'clock

- 1, 2, 3, 4 Step R fwd, touch L together, step L back, touch R together.

(When stepping L back, open body to L diagonal, ready to start your cross rock)

Note: There could have been a lot more tags/restarts added. However, I decided to keep to the 4 count tags.

The phrasing will go out from time to time but the beat is still good.

The tags will bring it all back into place. This is also the reason for the late start.
