TAG

On the 3rd wall, dance the first 32 counts (which takes you to the cross, ¼, ¼, right forward). You will be facing the right side wall. Add the following 8 count tag:

- 1-4 Step left forward on left diagonal, hold, step right forward on right diagonal, hold
- 5-8 Step left back, step right together, step left forward, hold

Then start the dance again from the beginning

Similarly on the 6th wall which starts on the left wall dance the first 32 counts. This will take you to the back wall. Dance the tag & start the dance from the beginning

BIG FINALE

The music has a false ending. You will end facing left side wall. Hold for 16 counts - you will hear the piano to count yourself back in (count 8 as the piano comes in before you start). Dance ends facing back wall
