## REPEAT

TAG
Complete the dance to *** and then add in the following beats
1 Turn $1 / 4$ left \& step left to left

2-3 Swing hips left, swing hips right
4-6 Swing hips left, hold, hold
1-3 Hold, swing hips right, swing hips left
4-6 Swing hips right, hold, hold
Then the dance from *** to the end and restart once again
Although this dance may not exactly be done to waltz music I have written it down in counts of 3 so it is more widely understood, the beats should read 1\&a 2\&a, 3\&a and so on, but I thought this might confuse some dancers. The song I have chosen is extremely pretty and worth listening to, I hope you enjoy it!!
