REPEAT

TAG

At the end of the 2nd repetition

1-2 Step left to left and sway hips left, sway hips right

3-4 Sway hips left, sway hips right

Restart the dance from count 33 but when stepping forward on left; step left at a diagonal left (so that the corner angle shuffles are done)

This dance is in memory of a wonderful woman that was taken at a young age by cancer. She truly was and is an angel. I was very fortunate to have spent some time with her before she passed away. She will forever be in mv heart
