It's kind of like the Macarena, so it's really easy

- 1 Right hand out (facing down)
- 2 Left hand out (facing down)
- 3 Right hand out (facing up)
- 4 Left hand out (facing up)

5&6 Cross right arm then left

7&8 Right hand on back of head, then left

9&10 Right hand on butt, then left

Here's the hardest part!

- 11 Jump forward on both feet
- 12 Jump backward on both feet
- 13 Jump (to the left) forward feet
- 14 Jump backward on both feet
