OPTIONAL TAG

(If you prefer the phrasing to remain intact when dancing to "Rock My World" by Paul Bailey)
Wall 7 (facing back) is danced to an instrumental bridge (12 bars/48 beats). Dance steps 1-32, turn as instructed and follow through with beats 1-16. Instead of using the hook behind on beat 16, step left together and go back to the beginning. You will have danced 48 beats instead of 32 on this wall (right of home wall). Continue as scripted. Track ends on beat 16. Instead of using the hook behind, step left together to finish.
