

Slo Cadillac

Count: 52

Wall: 0

Level:

Choreographer: Chris Hookie (USA) - October 1984

Music: Pink Cadillac - Bruce Springsteen

Slo Cadillac takes up a lot of space in order to comfortably perform the dance. Be sure you have a lot of room and no one in the way. This is a rather long dance also (52 beats), and it is not easy to catch on to for some beginning dancers. The secret is to take the dance apart and practice.
