

# Snap, Clap N Wink

Count: 32

Wall: 4

Level: Improver

Choreographer: Natalie Hillier (UK)

Music: Wink - Neal McCoy

When using Wink: Dance walls 1 and 2 as normal, then for 16 count instrumental bridge at start of wall 3, dance only first 16 counts, then begin a new full pattern, and continue full patterns to end of music. Optionally, you can add an exaggerated wink or tip hat (or for extroverts-both!) when Neal McCoy sings the word Wink at end of each full pattern.
