62 Hook right foot up behind and slap with left hand
63-64 Touch right toe out to right side, return right foot in beside left

REPEAT

During the overall timing of the music, you will need to hold in 2 particular spots. The first HOLD is after the first sequence. The second HOLD is after the fourth sequence. You will note that the singer will sing the words - OH THAT - and you will hold for four beats during the word - THAT. To add attitude to the dance, dancers can raise their hands as if at gunpoint for the four beats and yell out "HOLD"
