PART B

- 1-32& Do the steps for counts 1-32& of Part A
- 33-34 Stomp left slightly forward putting weight on left, clap hands

PART C

- 1-32 Do the steps for counts 1-32 of Part A

& Touch right next to left (this is the & count after 32, done to get weight correct)

The song has a short section at the beginning. After this, a guitar (possibly a bass) abruptly starts playing low eighth notes. Sixteen counts later, the rest of the band comes in. The dance starts when the rest of the band comes in. If you find suitable music, you can do just the a phrase as a 48 count dance.
