COUPLES

The couples version starts in the open position. The steps are the same for both. The rock steps are used during the turns for positioning.

TURN 1: On the right hop the man moves behind the woman. On the left hop the man drops the left hand and moves the right hand over the woman's head. Rejoin hands when the man is in front of woman.

TURN 2: On the right hop the man moves to the woman's left. On the left hop the man and woman make a ½ turn. Man is now on the woman's right.

TURN 3: On the right hop the man moves in front of the woman. On the left hop the man drops the right hand while moving the left hand over the woman's head. Rejoin hands, man is now behind woman.

TURN 4: On the right hop the man moves to the woman's right. On the left hop both make a ½ turn. The man is now on the woman's left in the original position.
