After end of second wall only (after $\frac{1}{2}$ unwind)

1-2-3&4 Rock left to left, cha-cha on spot left-right-left
5-6-7&8 Rock right to right, cha-cha on spot right-left-right

At the end of the 6th wall the music sounds like you should slow or stop. Don't! Continue the dance as normal. You will feel out of beat though! At the end of this wall (7th), when you finish the sequence with the unwind, instead of doing a 2 beat unwind, here you will need to make it a 4 beat unwind. Continue the dance as normal from here on, as you will be in the beat of the music again
