

Wild Turkey Kicker (P)

COPPER KNOB
STEPPERS

Count: 32

Wall: 0

Level: Partner

Choreographer: Joyce Warren (USA)

Music: Wild Turkey Liquor - Stan Bratzke & The Spur Band

Position: Begin in closed couple position.

Dance is distinctive in that on alternating series, foot work remains the same, but partners change directions. This also has the effect of the circle expanding when the men go forward, and contracting when the ladies go forward. This year, the Southern Star Country Dancers added this to our demo. We got a unique effect by having alternating couples facing opposite directions.
