#### Tags for when dancing to Wrapped Up In You by Garth Brooks

#### TAG A

After the 3rd wall at the end of this set we must add a few steps for phrasing. When we do our last two steps we will add a touch, step, coaster step, touch step, rock step

33-34 Touch right behind, step back on right

35&36 Step left together, step forward with right, step forward on left

37-38 Step right, step left

39& Touch behind with right, rock back onto right and shift weight to left

Immediately start the dance from the top

#### **TAG B**

After the 6th wall we must add a few more steps. Touch, step, coaster step

39-40 Touch right behind, step back on right

41&42 Step left together, step forward with right, step forward on left

Immediately start the dance from the top

## TAG C

As we face the 7th wall we must make a change to keep up with the phrasing. We will be by passing the 7th wall. As we finish steps 25-32 we will change step 32 with touch back with left. Then we will pick the dance up

at step 17 and Move to wall 8. We can end the dance at wall 8 or continue on through the instrumental.
