| 4-6 | Step right across over left, step left to left side turning ½ turn right on left, step right beside left |
-

REPEAT

Because it is a slow waltz, use long steps and develop some rise & fall in the steps. Keep it smooth and flowing

When using "I Love You, That's All" by Tracy Byrd, you can add a 6 beat bridge after the 2nd wall (facing back wall) to keep the phrasing better This only happens once
