- 1-2-3 Step right into ½ turn left, close left to right, step right in place
4-5-6 Step left back, close right to left, step left forward

REPEAT

To be technically correct, all three steps in a waltz are supposed to be of equal length. But the choreographer here would like you to use long strides on counts 1 and 4, and shorter steps on counts 2,3 and 5,6.
