- 5-6 Left rock forward., recover weight back on right foot
- 7&8 Triple left-right-left turning ½ back to left

Or sweep left around into ½ turn, left sailor step

REPEAT

When doing dance contra, face other line squarely. When you do cross-over and step to side, you will end with a space to travel through on the turning triples. Practice slowly! This is challenging. Concentrate on your own part, don't let the opposite line throw you off!
