We would like to thank Bill Bader for recommending us to The BordererS. We feel honored that The BordererS asked us to choreograph a dance to one of the songs on their new CD, "A Time For Change". We liked their music so much that we asked Jim and Alex if we could write another dance to one of the songs. With their permission, this is dance #2. Our first dance "Life's Simple Things" was written to the song "The Simple Things In Life"
