Option: on count 31, touch right toe beside left instep

Option: on count 32, go up on right toe and bring right knee across in front of left leg (arms outstretched)

REPEAT

Use lots of attitude when doing the knee action movements and diagonal back steps (i.e., count 4 and count 8, body faces left arms outstretched like Elvis.) I've tried to incorporate lots of Elvis moves.

ENDING

Elvis version: Dance ends on count 3

1&2 Roll right knee out to the right twice right hand circles right

3 Knee action Elvis style body faces left arms outstretched and hold pose
