REPEAT

RESTART

On the 2nd wall after the "scuff toe heels right & left foot", do heel toe 2 walks forward right, left instead of the shuffle. This will get you on the right foot to restart the dance at the beginning

The music also slows down on the scuffs toe heels further along in the music. So just slow down on this step then it comes in at the normal speed on the toe heel shuffles

TO FINISH THE DANCE

Do the side shuffle to right as you rock back on the left foot turn $\frac{1}{2}$ to the left, close right foot next to left
