At the end of wall 1 and wall 3 she will be singing "go away..." and you will be dragging the left foot towards the right foot. Slow down the drag to fill in this time. Start the dance again as she starts singing "...no wait a minute"

Also at the end of wall 5 there is a longer stop in the music. She will have sung ...it scares me to death". Hold until she has sung "go away" and start the dance again as above as she sings "...wait a minute" During wall 7 the song it changes tempo but keep dancing through until the beat returns

To end the dance after the rolling vine left and drag together add 4 more stomps then look down on the last

drum crash.
