This song has a long introduction. To break the monotony and so that you do not feel foolish just standing on the dance floor, may we suggest that you do the following dance movements until the lyrics begin.

THE SWIM: YOU MUST SHIMMY THROUGHOUT THE WHOLE SWIM AND SINK SEQUENCES.

Swim: Right arm swims forward for 2 beats...left arm swims forward for 2 beats (4 beats)

Sink: Plug your nose and bend your knees...unplug your nose and stand straight (2 beats)
