REPEAT

When using "Yoko" by Cartoons you will hear a break in the music pattern. You continue the dance at the same pace but to allow you to come in again on the words "why she's my hot potato". You will need to do extra right heel taps to commence the dance pattern again with stomp, twist out, kick etc. To finish the dance you will do patterns 1 & 2 but instead of ¼ turn on pattern 2, ½ turn to finish facing front.
