REPEAT

This is a modified mp3 I made from the original "Fraggle Rock" song. I took out some unwanted stuff to make it more "phraseable". If you would like a copy, email me. Also, there is a 16 count instrumental intro and then a 16 count verse. Start after the instrumental and do the first 16 steps of the dance then begin again doing a

full wall. Then there is a 4 count bridge. Do 2 right kick-ball-changes and start the dance from the top and continue dancing with no further breaks, etc.
