## REPEAT

**This dance was originally a 48 count dance. The 48 count version works well with songs other than "Kick A Little". The 48 count sheet is the same as the one above with one change. Remove counts 9 and 10 and replace with the following**

- 9-10 Step right to right, step left behind right  
11-12 Step right to right, kick left diagonally towards right and clap

If you would like to do the 48 count dance to "Kick A Little", it works well as a phrased dance. For the A phrase, use the 48 count version immediately above. For the B phrase, you can use any four counts provided that weight ends up on the Left foot and the step does not travel. I used the following B phrase:

1& Touch right heel forward, step right in place

2& Touch left heel forward, step left in place

3& Touch right heel forward, step right in place

4& Touch left heel forward, step left in place

**The phrases are done in the order AAAB AAAB AAAB A**

**This phrasing works for the version of "Kick A Little" on Little Texas' Greatest Hits album. Start dancing when the vocals start.**
