- |       |                                                                                                                                                                            |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1&2   | Left knee roll and tap left toe out to left side. Pop left knee out.                                                                                                       |
| 3&4   | Left sailor step (step left behind right, right together, forward left)                                                                                                    |
| 5&6&  | Scuff right foot, pivot 2 turn left and slide to the right bring left up to right on &                                                                                     |
| 7&8   | Left heel jack (jump back on right, place left heel out 45 degrees, step right beside left)                                                                                |
| 9-10  | Stomp right twice.                                                                                                                                                         |
| 11&12 | Scuff right, scoot back left, rock back on right.                                                                                                                          |
| 13-14 | Step forward onto left and pivot ½ turn left.                                                                                                                              |
| 15&16 | Left sailor step (step left behind right, right together, forward left)                                                                                                    |
|       |                                                                                                                                                                            |
| 17-20 | Grapevine to the right with ¾ turn (step onto left making a ¼ turn to the left, right to right side, pivot ½ turn left while still traveling right, cross right over left) |
| 21-24 | Step left to left side while bumping hips to the left. Bump right, left, right, left (count 1,2,3&4)                                                                       |
| 25-28 | Step back right pointing left toe out in front, step back left pointing right toe out in front.<br>Repeat.                                                                 |
| 29-30 | 2 right Monterey turn (point right toe out to right side, pivot 2 turn right and step right in place)                                                                      |
| 31&32 | Swivel knees and heels out, in, out ( clicking fingers on the "outs" )                                                                                                     |

**REPEAT**
