**You have momentarily turned away from each other, then back, and now again facing LOD**

#### **LASSO STEP**

Raise joined hands. Lady begins turning to her left, in a circle to the left around the man, passing left shoulder to left shoulder. Do not pass under arms. Man keeps hands raised over his head, while guiding the lady around him. If the lady continues "looking" directly at the man on steps 49-56, she will always be turning correctly

49-50-51-52 **MAN:** Step left behind right, step right to right, step in place left, pause  
**LADY:** Begin lasso stepping right, step left, continuing lasso step right, pause

**Lady will now begin passing around the back of the man**

53-54-55-56 **MAN:** Step right in front of left, step left to left, step in place right, pause  
**LADY:** Continuing lasso step left, step right, finishing lasso step left, pause

**Lady should now be back to the man's right side, facing LOD with the man**

**(MAN): STEP IN PLACE, FREE SPIN LEFT (LADY):  $\frac{1}{2}$  TURN RIGHT, FREE SPIN RIGHT (LADY NOW SWITCHES DIRECTIONS AND TURNS  $\frac{1}{2}$  TURN RIGHT UNDER THE RAISED ARMS.)**

57-58-59-60 **MAN:** Step in place left, step in place right, step in place left, pause  
**LADY:** Turn  $\frac{1}{2}$  turn to the right, stepping right, left, finish turn stepping right, pause

**Lady is now facing RLOD, man still facing LOD. Release both hands, lady continues turning right, man turns left, one full turn, no hands joined**

61-62-63-64 **MAN:** Begin full turn to the left, step right, step left, finish full turn stepping right, pause  
**LADY:** Begin full turn to the right, step left, step right, finish full turn stepping left, pause

**Back into Closed Position, man facing LOD, lady facing RLOD**

**REPEAT**
