You will have just swayed your hips left, right.

Start the dance again at this point by stepping L to left.

This music is hard to get, but gee it's worth getting !

I first heard it at The Boat Club in Hervey Bay where it was being sung

by the resident artist there. I fell in love with it and tracked it down.

You're lucky, all YOU have to do is listen to it. and dance to it...too easy!

Hope you enjoy it, and the simple dance I have written to it.

Don't forget, if you have trouble getting the music just email

See you on the floor sometime.... Jan
