SEQUENCE:

The dance begins at the back wall. From the start of the music count 16 beats and then commence the intro. This means that you start dancing 8 beats before the lyrics begin. The verse therefore begins with the lyrics

The first wall is completed all the way through (intro, verse and chorus).

The second wall restarts again facing the back wall and is completed all the way through (intro, verse and chorus)

The third wall restarts again facing the back and is completed only up to the end of the verse (beat 8-do not complete the "&" count, stay facing eh back (intro & verse only)

The fourth wall restarts facing the back wall but with no intro, start this wall at the beginning of the verse (verse & chorus only)

The fifth wall restarts again facing the back wall with the intro and then the verse and the music finishes at the end of the verse.
