RHUMBA WALK

- 33 (S) turn ½ turn to left, step forward right (facing wall left of starting wall)
- 34 (S) step forward left
- 35& (QQ) step forward right, step forward left
- 36 (S) step forward right with a quarter-turn to the right

(You should now be facing the same direction you started)

REPEAT

Steps should slide into one another; rhumba is not a clompy dance!

Country Rhumba may also be performed as a regular rhumba; the man does the steps above, and the woman is in ballroom position and starts with her right.
