## REPEAT

## TAG

When doing the dance for the fifth (5th) time only (you will be facing the front wall) instead of doing the brush-cross-coaster step (5-6-7&8)

- 5-6 Brush left foot forward; step left across right and step
- 7-8 Step back on right foot; step left foot next to right

Begin the dance again. The music makes it obvious when to do this.
