## REPEAT

## VARIATIONS ON STAMPS

On counts 20,24 and 26, I've seen a double stamp replace the single stamp.

## VARIATIONS ON VINES

Vines can be don as "rolling vines", i.e. vines with a full turn in the direction of the vine.

## VARIATIONS ON FLICKS

Cross over and place toe beside foot (count left), kick forward (count 2), step-ball-change while turning ½

(counts 3&4). Doing this for both "flicks" will position you properly to begin the shuffle forward.
