- |     |                                                                                                                                                                                                                                   |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1-3 | Left foot step forward/right foot next to left/left foot step in place.                                                                                                                                                           |
| 4-6 | Right foot step back making a $\frac{1}{4}$ turn left, left foot step to left/right foot step in place.                                                                                                                           |
|     |                                                                                                                                                                                                                                   |
| 1-3 | Left foot step forward making a $\frac{1}{4}$ turn left, right foot step forward making a $\frac{1}{4}$ turn to left. Left foot step back making a $\frac{1}{4}$ turn left. These steps create a $\frac{3}{4}$ roll to the left.) |
| 4-6 | Right foot cross in front of left and rock forward. Rock back on left foot/right foot step in place.                                                                                                                              |
|     |                                                                                                                                                                                                                                   |
| 1-3 | Left foot cross in front of right and rock forward. Rock back on right foot/left foot step in place.                                                                                                                              |
| 4-6 | Right foot step forward and turn a $\frac{1}{4}$ right. Left foot step to side/right foot step in place                                                                                                                           |
|     |                                                                                                                                                                                                                                   |
| 1-3 | Left foot step forward and turn a $\frac{1}{4}$ left right foot step next to left/left foot step in place.                                                                                                                        |
| 4-6 | Right foot step back making a $\frac{1}{4}$ turn to left. Left foot step beside right/right foot step in place                                                                                                                    |

**REPEAT**
