RESTART

There is a restart on the 9th wall after the vine at count &16&. Do not do the ¼ turn at the end of the vine, just step right to right and remain facing the front this will keep the dance a 2 wall dance

FOR A NEAT ENDING

The music slows at the end (10th wall). You will be at count 24& when it slows. You will have rocked back on right while he is saying "blue" and should rock forward on left when he says "moon". When the beat comes back in again just a few beats later do your full turn stepping right, left as per the step description (counts 27-28) and then just do this to finish the dance facing the front.

1-2	Rock forward on right, rock back on left

5&6	Making ½ turn left shuffle forward left, right, left
7-8	Step forward on right and drag left to right
