7-8	Step right behind left, turning ¼ to the left step forward left

## **REPEAT**

This song starts with a slow melody which has no real beat, but is danced as if there are 8 slow beats per line, which brings us around to the back wall to start the clicks & pattern. The pattern begins immediately after she says "who cares" & the real beat begins. The dance finishes facing the front wall completing beat 36 (the stomp kick)
