|-------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 1&    | Lift/lower left toe left, lift/lower right heel left-return.                                                                              |
| 2&    | Lift/lower right toe right, lift/lower left heel right-return.                                                                            |
|       |                                                                                                                                           |
| 3&    | Lift/lower left toe left, lift/lower right heel left-return.                                                                              |
| 4&    | Lift/lower left toe left, lift/lower right heel left-return.                                                                              |
| 5&    | Lift/lower right toe right, lift/lower left heel right-return.                                                                            |
| 6&    | Lift/lower right toe right, lift/lower left heel right-return.                                                                            |
| 7&    | Lift/lower left toe left, lift/lower right heel left-return.                                                                              |
| 8&    | Lift/lower right toe right, lift/lower left heel right-return.                                                                            |
| 9-12  | Right kick ball change, cross & step right over left turning ½ to left.                                                                   |
|       |                                                                                                                                           |
| 13-16 | Left kick ball change, cross & step left over right turning ½ to right.                                                                   |
| 17-20 | Grapevine left, scuff right next to left.                                                                                                 |
| 21-24 | Grapevine right, scuff left next to right.                                                                                                |
| 25-28 | Hop back on right 3 times turning ¼ to left on last hop, step forward left.                                                               |
| 29-32 | Shuffle forward right-left-right, step forward left & pivot ½ turn to right (weight on right).                                            |
|       |                                                                                                                                           |
| 33-36 | Shuffle in place left-right-left while turning full turn to right, step down on right & jump forward on both feet bringing them together. |
| 37-40 | Jump feet apart, jump crossing right over left, turn ½ to left, jump forward on both feet.                                                |
