

Driving Home

Count: 32

Wall: 4

Level: Beginner

Choreographer: William Sevone (UK) - November 2005

Music: Driving Home for Christmas - Chris Rea : (CD: Ultimate)

Dance starts on the vocals with feet together and weight on the right foot.

Choreographers note:- What can you really say about the song? but beautiful. Take care whether you are dancing or driving ? a slippery surface will get you every time. Safe journey and happy trails, may you always find joy and laughter in what you seek. This not just a festive/holiday dance ? choose any mid tempo two-step music? and just go for it!!

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.
