Restarts

To keep music in phase, there are just two restarts both in the same place of the dance (this makes life easier doesn't it!!!)

Restarts happen after count 32 (end of section 4) both times on the word 'bottle' as in the start of the dance.

Wall 2 – Start wall facing 3 o'clock, restart dance facing 12 o'clock

Wall 5 – Start wall facing 6 o'clock, restart dance facing 3 o'clock

Where music slows towards the end, during the vaudervilles, carry on dancing at the same pace
