## REPEAT AND HAVE FUN

### **\*\*NOTE:**

On the 2nd wall, drop the last 4 counts and add a quick step R next to L and start the dance from the beginning This happens on back wall.

On the 4th wall, do the 1st 12 counts and restart the dance. Weight will be on The right, just push off to go back to the left. This happens facing the front. Dance it out from that point.
