This song is by Sweethearts Of The Rodeo, but I have no idea who owns the male voice. If anyone out there knows, I would love to know!

I have written the dance for our Improver level dancers and have a feeling that this level waltz to this old song may appeal to lots more people out there.... Hope you enjoy it!

I get a real buzz these days hearing from people out there who don't line dance, but love listening to the music I write to.... So feel free to drop me an email!

See you on the floor sometime...Jan
