

# Quick Fix

Count: 48

Wall: 4

Level: Advanced Beginner

Choreographer: William Sevone (UK) - August 2009

Music: Quick Fix - V V Brown : (Album: Travelling Like The Light)

**Choreographers note:-** With a 'Peter Gunn' style riff plus many other musical references, it's a '60's Quick Fix' - so dance styles of that era just had to be incorporated along the way.

My special thanks to Pete Browne & Jean Dawson for the '68 inspiration behind section 2.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.

Dance starts on vocals with knees bent very slightly forward.
