Start again

Re-starts: On Wall 5 (instrumental section) dance the first 32 counts then restart with the vocals (you will be facing 12 o'clock)

Then dance the first 32 counts again and you will hear the music slow down towards the end of this section. You will be walking forward towards the 12 o'clock wall. Slow down your walk to coincide with the slower pace. Then pause and restart when the beat kicks back in. (Approx 4 counts from the words "chasin' parked car dog"). The restarts are very easy to hear and dance and are facing front wall. Have fun!
