5-6,7&8 Rock forward on L, recover on R, step L back, step R next to L, step L forward

Begin again.....

One Tag:

Occurs at the end of the 4th wall (you will end the dance facing the front wall), repeat the last 8 counts of the dance (this will put you on the back wall to start the dance).

Ending the dance:

Ends after the first 24 counts with a slow ending.

You will be facing the front. Add a SLOW hip roll after the hip bumps for a "sexy" ending!!
